

Geothermal Rebates for Cooperative Members

UP TO

\$800

GEOTHERMAL
HEATING & COOLING
SYSTEM
REBATE

Lorain-Medina Rural Electric Cooperative is offering rebates to cooperative members who install a new or upgraded geothermal heating and cooling system* in a home, office, or other building. This rebate is available only to members. Members must install the equipment in compliance with ENERGY STAR requirements.

SPECIFIC REQUIREMENTS: The equipment and system loop must be installed in accordance with manufacturer's specifications and recommendations and must meet applicable federal, state, and local agency standards.

All rebates are issued in the form of a check. A maximum of two rebates may be paid per residential member home.

The equipment must meet the following energy standards upon installation: EER 17.1, COP 3.6; Open Loop EER 21.1, COP 4.1.

ADDITIONAL INCENTIVES AND REQUIREMENTS: Please visit lmre.org/content/geothermal for full details on rebates, additional discounts, and refunds related to the installation of a new or upgraded geothermal heating and cooling system.

*Lorain-Medina Rural Electric Cooperative's appliance rebate on geothermal heating and cooling systems is limited. The offer expires when funds are depleted on a first-come, first-served basis, or when the program is discontinued.
